INVERNESS CAMPUS

Inverness Campus is open to everyone. It’s a place for the community – a stunning, accessible, open green space. It’s also home to the largest partner in the University of the Highlands and Islands – Inverness College UHI.

Behind the development was a vision for a shared site where different organisations could work collaboratively while co-locating in a beautifully landscaped environment. The Campus was designed to enhance joint working and provide an inspirational setting for innovation.

But it is much more than that!

Inverness Campus is home to businesses, research and academia, designed as a unique place to work, live, study and visit.

The 215 acre site has been developed by Highlands and Islands Enterprise (HIE) and has been created as a major economic driver for the area. Much of the business and research activity here has a particular focus on Life Sciences and technology.
